

# All Saints' Sunday

November 2, 2025

## Emmanuel Lutheran Church Asheville, North Carolina

This is the church's Memorial Day. Today we hold in remembrance those who have lived in the faith. Our thoughts are not only upon the great heroes and martyrs, but also upon the countless host of believers of every age. The day challenges us, as living members of the Body of Christ to match the obedience and dedication of those who have already passed into eternal life.

The custom of commemorating all of the martyrs of the church on a single day goes back to at least the third century. In modern practice, All Saints' Sunday commemorates not only the martyrs, but also all the people of God, living and dead, who form the mystical body of Christ. It is truly a victory of life in Christ.

As we celebrate the victory of the risen Christ, we are reminded of the eternal joy and peace that our departed loved ones experience. All Saints' Sunday provides us the opportunity to remember, to reflect and rejoice. Here listed, with name and date of death, are these from our congregation who have gone before us.
